

Cerafy™

Empowering Skin Vitality
Through Ceramides

With the **Cerafy™** line, we empower formulators to design personalized skin care routines that leverage the natural power of biomimetic ceramides to **restore, protect, and maintain the skin's beauty.**

- Biotechnology-engineered ceramides
- Hero ingredients in beauty care, especially dermocosmetics
- Repairs and restores the skin's barrier function
- Improves skin hydration and prevents premature aging
